Dear Community Member,

We are writing to request your support for the Hebron High School Band, **a nationally recognized, award-winning** ensemble representing our school and community at competitions and events across the state and beyond. As a corporate sponsor, your generosity would help provide our students with the resources they need to continue to excel and make our community proud.

The Hebron High School Band is made up of over 330 talented students, all of whom are dedicated to their craft and to representing their school with excellence. Our band has consistently achieved top honors at regional and state competitions. The Hebron Marching Band was crowned as **The UIL Texas State Marching Band Gold Medal Champion** in 2021 and earned eleven straight appearances in the Contest, including five Silver Medalist finishes in 2012, 2014, 2016, 2020, and 2022. **Last year, they represented the community at the prestigious Tournament of Roses Parade in Pasadena, California.** The Hebron Band Wind Symphony was recognized as the **2022-2023 Texas Music Educators Association (TMEA) 6A Honor Band**. The Hebron Band program was also recognized as the **2021 Texas Bandmasters Association Exemplary High School Band Program**. The Hebron Band was also awarded the Sudler Shield from the John Phillip Sousa Foundation in 2011. In 2015 and again in 2019, The Hebron Band was awarded The Bronze Medal at **The Bands of America Grand National Championships** in Indianapolis.

As you can imagine, the expenses associated with operating a band of this size and caliber are significant, and we rely on the support of generous sponsors like you to make it all possible. Your sponsorship would help us provide our students with high-quality instruments, uniforms, master-level music education, and equipment, as well as cover travel expenses and other competition-related costs. **Additionally, our band offers scholarships to those in our school who cannot cover the fees necessary to be a part of this prestigious program. We believe all children should have access to quality music education, and we ensure that everyone within our community has that access regardless of family means and income.**

As a sponsor of the Hebron High School Band, **you would receive prominent recognition and exposure for your support, including acknowledgment on our website, social media pages, and at events throughout the year.** You would also have the opportunity to attend performances and meet our talented students and dedicated staff. I've included a sponsorship form with this letter outlining different sponsorship levels and recognition. *I am sure there is a level that would meet your organization's budget and allow you to invest in this beautiful part of our community.*

We hope you will consider joining us as a corporate sponsor of the Hebron High School Band. Your support would make a tremendous difference for our students and our community. Please let us know if you have any questions or would like to discuss sponsorship opportunities further.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Andy Sealy', is written over a light blue horizontal line.

Mr. Andy Sealy
